

567—14.2(455B,455H) Environmental covenants. A person requesting department approval of an environmental covenant is responsible for the preparation and submittal of a draft environmental covenant using a model form(s) and model language developed by the department and submittal of supporting documentation. The department will grant presumptive approval to environmental covenants which conform to department model forms and model language. The parties to the environmental covenant may propose revisions to the model language and model form by clearly noting any proposed revisions and making a written request for consideration and approval. The department recommends that the activity and use limitation language in the environmental covenant conform to model language developed by the department.
